MESSAGE FROM PRESIDENT OF MAS

Dear friends and colleagues,

On behalf of Malaysian Arthroscopy Society (MAS), I am very pleased to announce the 2nd ASM of MAS which will be held from 31st October to 2nd November 2014 in Penang.

MAS was established in 2013, with a mission to provide further opportunities to exchange information in the field of arthroscopy, knee, shoulder and sports medicine. In addition, its’ mission is to represent Malaysian Sports Surgeon as its’ Regional and International Society.

The theme for this Congress is **Speed Bumps In An Active Lifestyle: The Road To Recovery.** This congress will offer everyone excellent opportunities to interact with other Orthopaedic and Sports Medicine surgeons or even other participants who are interested in Arthroscopy and Sports Medicine.

We hope that you will take this opportunity to attend this MAS Congress and benefit from the various activities focused on knee, shoulder, arthroscopy and sports medicine. We have lined up interesting programmes for our Congress such Live Surgery Demonstration, Cadaveric Demonstration, Instructional Course Lectures (ICL) and Free Paper and Poster Presentations. We hope that this Congress will establish a platform of medical improvement in our field.

We trust that with Penang as the venue and Col (R) Dr Vejayan Rajoo as the Organising Chairman, all participants will enjoy the meeting and social event that have been planned throughout the Congress period. We hope you will enjoy the sight-seeing, food and numerous certified UNESCO World Cultural Heritages of Penang.

We are looking forward to seeing you in Penang!

Best Wishes,

Dr Hishamudin Masdar
President
Malaysian Arthroscopy Society

MESSAGE FROM ORGANISING CHAIRMAN

Dear colleagues and friends,

On behalf of the organising committee, it gives me a great pleasure to invite you to the beautiful island of Penang to take part in the 2nd Annual Scientific Meeting of Malaysian Arthroscopy Society. As you can remember, we had a very successful inaugural meeting of Malaysian Arthroscopy Society which coincidentally was also the first meeting of the ASEAN Arthroscopy Society, last November in Kuala Lumpur. This time around, the honour has been bestowed to Penang and I can assure you it is indeed a daunting task.

The organising committee has been working very hard to make sure the society lives up to the reputation by inviting prominent international and regional speakers to share their experiences. The committee is also mindful of several challenges encountered by our budding arthroscopic surgeons in the country, as such have been trying their level best to put up a short yet relevant and comprehensive programme. There will be plenty of opportunities to improve our clinical judgment as well as surgical skills.

This meeting is also designed to provide a platform for our arthroscopic surgeons and trainees to present oral and poster presentation. Not forgetting the many exciting culinary and scenic adventures awaiting you in this island which is also known as the Pearl of Orient.

Once again I welcome you to the 2nd Annual Scientific Meeting of our young and vibrant society from 31st October to 2nd November.

See you all soon!

Col (R) Dr Vejayan Rajoo
Organising Chairman
2nd MAS Annual General and Scientific Meeting
