ENDORSED BY:

THE 1ST NOCERAL ADVANCED KNEE CADAVERIC WORKSHOP (TRAIN THE TRAINER)

National Orthopaedic Centre of
Excellence for Research
and Learning

11th & 12th August 2024

This is an advanced workshop targeted on subspecialty-trained orthopaedic sports surgeons. The delegates will have hands-on opportunity on knee surgery on cadaveric samples related to meniscus ramp repair, meniscus root repair and ligament reconstructions focusing on posterior cruciate ligament, posterolateral corner and medial collateral ligament injuries.
